REMARKS/ARGUMENTS

The characters and line quality in the drawings has been improved for compliance with Rule 84. In addition, as shown in FIG. 1, a line has been added to indicate that the kettle grill has been broken away to show the interior. In FIG. 2, the changes in cross-hatching have been indicated. In FIG. 4, the unnecessary legends have been removed, and in FIG. 7, missing portions of a border and a vertical broken line have been supplied. Otherwise, the changes are in the nature of improvements in drawing quality.
